

GIRL SCOUTS AT CCA!

WE NEED ADULT VOLUNTEERS!

With your help as Troop Leaders and Operational Volunteers you will assist the girls in making decisions on activities that will not only be fun but mold their lives as productive citizens. You and the girls will plan and run your own Girl Scout meetings, work together with parents and other helping adults, have fun and learn a lot!

Troops can meet twice per month or once a week! It is up to you! We also have volunteer positions working with other adults committed to making a difference in their community!

We offer FREE training and support in getting started.

Please contact Anita Little at 703-897-1054.
