

Christ Chapel Academy

International Program

Christ Chapel Academy is now certified by the federal government to accept international students. We can issue I-20 to help the international students to receive a proper visa (F-1) to enter to USA to study. CCA's international student program is dedicated to provide quality Christian education to non-immigrant foreign students.

In order to enroll in our school, the new and existing international students/families, must contact Mrs. Young Lee, the exclusive contact as a director of international student to represent our school with the international student program. Please contact her by phone 301-613-7876 or by e-mail at younglee007@hotmail.com. She can provide further information on application process (including receiving I-20), international student tuition and fees, ESL, extended care, weekend/summer/winter program, home stay arrangement, transportation arrangement, exclusive guardianship and etc.

Thank you for your interest in admission to our school.
