

Summer Camp 2009

"Armor of God"

April 2, 2009

Re: Summer Camp – Graduating kindergarteners through graduating 8th grade.

Dear Families:

Summer will be here before we know it! Our summer staff is already planning for a wonderful, fun filled, program for your child. This summer's theme is "Armor of God." On the reverse side you will find the registration form, the dates and weekly fees as well as the weekly themes. You may register for one week or every week during the summer program. Each week students will be swimming at Veteran's Park Pool, attending field trips that coincide with the weekly theme and lots of other fun activities. The program will be coordinated by Mrs. Becky Davis.

For more information regarding our summer programs, contact Denise at the school office at 703-670-3822 ext. 103.

For Christ Chapel Academy,

Pastor Paul Miklich, Administrator
