Post High School Vision

A Future-Focused Growth Plan
for 8th - 12th Grade

He said to them, "Go into all the world and preach the gospel to all creation. Whoever believes and is baptized will be saved, but whoever does not believe will be condemned." [...] After the Lord Jesus had spoken to them, he was taken up into heaven and he sat at the right hand of God. Then the disciples went out and preached everywhere, and the Lord worked with them and confirmed his word by the signs that accompanied it.

Mark 16:15-16, 19-20

At **Christ Chapel Academy**, we desire for each and every one of our students to be released after graduation as outstanding citizens who will go forth and make the world a better place with a Christ-like heart for the marginalized.

Our vision is to cultivate a Christ-centered community that unleashes the leadership potential within each student. We desire to be distinguished as a premier Christian school where every student recognizes their leadership potential and their ability to contribute to the world. Each of our graduates steps off of our campus thoroughly equipped to work hard, achieve their goals, realize their dreams, and be Christ-like lovers of people for a lifetime.

From 8th grade through every year of high school, our educators integrate a strong future-focus into every hour spent learning and growing at Christ Chapel Academy.
