CCA's Race for Bolivia 2021

What is the Race for Bolivia? Students Pre-K3– 12th Grade will be participating in the Race for Bolivia on May 14th– which will include a race and a variety of field day events! We are raising funds to help support our partner community of children in Entre Rios, Bolivia. Students will get sponsors to support them in the race, and those donations will go directly to our community in Bolivia. Sponsors will donate one flat rate as we keep track of how much each student is raising. Students will be eligible for prizes based on the amount of funds raised by May 14th! See the Prize Sheet for more details!

Important Dates:

April 26th- Fundraising Begins!

April 29th, May 6th, May 13th– Mini Prizes Delivered for students who have gained sponsors!

May 14th- Last day for sponsors to donate AND the Race for Bolivia!

Check the Prize sheet for specific prize delivery days

What are we raising money for? We are partnering with World Vision to help support 100 children in Bolivia. Since COVID-19 hit Bolivia– the children have suffered greatly. They have not been able to attend school, and currently they do not have the technology to participate in virtual school. We have an opportunity to help support these children and their families in the midst of a crisis. Through this support and partnership, World Vision provides our students with a Pre-K-12th grade curriculum that will be used next year to help students see how they can be global difference makers for Christ!

When are we racing? We have scheduled the Race for Bolivia and Field Day for Friday, May 14th. Due to COVID guidelines and safety precautions, we will not be able to have parents attend the event day and race. All activities and movement of students outside will be scheduled and closely monitored so there is no cross-mingling of grades and students. Lower School students will be running their race on the hill AND participating in fun (and safe) field day activities. Upper School students will be racing in a scavenger hunt across the school campus and have some water activities on the hill.

What are my next steps? 3 Easy Steps!

1) Share this link to potential sponsors to raise money and qualify for prizes!

www.christchapelacademy.org/give

2) Achieve donations from sponsors by May 14th!

3) Have fun and run on Race for Bolivia Day on Friday, May 14th!

Check the Prize Sheet for the Prize Delivery Days after The Race !
