

Sponsorship Information

How do I get sponsors?

This year students are eligible for prizes based on donations from sponsors AND the number of minutes you read (see prize sheet for more details). You can ask friends, family members, and anyone else who would be interested in supporting you, literacy in our school, and our CCA teachers. You can email, text, or post the link on social media.

How do they support me?

With our online giving platform it's easier than ever for sponsors to donate, and students to get credit. You can share the link www.christchapelacademy.org/give and sponsors fill out a quick form to enter their sponsorship amount. They will donate a flat rate to support you for the Read-A-Thon week.

How will I know how much funds I've raised?

There will be an updated thermometer on the Give page on the website letting the public know how close we are to our \$15,000 goal! If you would like to know your students specific amount of funds raised throughout the Read-A-Thon week, you can email Emily Trenum at etrenum@christchapel.org for a current amount.

Can sponsors donate by check?

Yes! Although we have the online giving platform, any checks mailed to CCA with Read-A-Thon and the students name in the memo will be manually entered to be included in the students' donation amount.

Sample message (after greetings):

“My school, Christ Chapel Academy, is doing its first annual Read-A-Thon. We are raising support for our teachers and the additional costs of COVID-19 guidelines. I'm trying to raise \$300 for my school through friends and family who will sponsor me for the minutes I will be logging in the Read-A-Thon Nov. 14th-20th! You can sponsor me by donating one flat rate. Thank you for helping if you can. You will be helping my school and ME a lot!! You can click here to give: www.christchapelacademy.org/give. “
